PRESENTATION TO MR. AND MRS. EDGAR LYONS

Sunday evening following a large dinner party at the home of the groom's Mother, Mrs. Janies Lyons, some extra guests arrived and after extending happy congratulations, presented Edgar and his bride with a beautiful Chenille Bedspread in rose and pale green shades.

Mrs. Vernon Miner made the presentation, expressing the best wishes of all to the young couple for a very happy wedded life. Mr. and Mrs. Archie Miller of Long View were out-of-town guests.

CHEADLE

— By Mrs. E. J. —

On Wednesday, June 28th., the W. W. Club met at the home of Mrs. McLean. It was decided to send boxes, monthly, to the service boys, overseas, whom the club has "adopted". The ladies will also see that he gets lots of letters. The Club plans also, to finance a holiday at Camp for two lucky young people. Lyda McLean gave a very interesting talk on the Youth Conference she recently attended. The July meeting will be on July 26th., at Mrs. Emory Jackson's.

Mr. J. Paris has his cousin visiting him from Vancouver.

Mr. and Mrs. Russell have as their guest Miss Mager, who is visiting them from Ft. Saskatchewan.

Mr. J. A. MacDonald's son and family are guests in Cheadle.

Doug Keer's family have also fallen victims of the chicken-pox.

On June 28th. and 29th. a number of men put in some excellent work on the basement of the hall. It is now much brighter and cleaner.

On June 30th. the Hamper Dance was held in the Hall. Lucky winners were— 1st. Mr. Daves, Calgary; 2nd. Ella Hughes, Calgary; 3rd. Dave Heckle, Cheadle. The Welfare Committee will be congratulated on its success in providing for our overseas and home service boys.

On Monday evening, July 3rd., a community party was held at the hall in honor of Mr. Edgar Lyons and his bride. Dancing was enjoyed and delicious refreshments were served. The happy couple were recipients of a beautiful pair of woollen blankets, and the good wishes of all were expressed by Bill Craig. After a reply by the groom, all sang, "For They Are Jolly Good Fellows" and offered their own congratulations. Mr. and Mrs. Lyons left by bus Tuesday for Viking Alberta, where they will stay for six months, after which they will make their home in Long View, Alberta.

W. I. Conference Maintains Excellent Record

The Conference for the Gleichen Constituency held Friday in the Memorial Hall proved that members of the Women's Institute maintain a progressive, intelligent and interesting standard for their varied endeavors. These groups do not stand still but are ever on the alert for greater progress. The various Branches gave very excellent reports of work accomplished, in most cases an increase over last year, and increased membership in one or two instances. The monthly meetings of the Institutes include very worthwhile programs covering much war work, Book Reviews, interesting and educational papers on timely topics, practical suggestions in house-keeping and to furnish variety some very lovely pieces of fine embroidery, crochet work, thrift pieces, dainty quilts and some of the heavier type.

We repeat that a Women's Institute in any community is a very beneficial adjunct to that community.

Mrs. Geo. Thurston presided in her very efficient manner. Rev. Hunt opened and the W. I. Creed was given by Mrs. Jessy of Langdon. Mrs. Holt read the minutes of 1943 Conference which had been written by Mrs. E. M. Stoodley.

Committees appointed by the Chair comprised:

Resolution, Mrs. D. Clark, Mrs. A. Mercer and Mrs. Morton; Courtesy, Mrs. Brook, Mrs. Nowicki and Mrs. Kingworth; Nominations, Mrs. Moe Mrs. Beatty and Mrs. Chas. Kimmet; Scrutinizers, Mrs. Stoodley and Mrs. F. Hilton.

Queenstown Institute were the hostesses and a warm welcome was extended by Mrs. Taylor and ably but briefly responded to by Mrs. Nowicki of Cluny. The Wit of Brevity was frequently exemplified for many of the speeches carried out this idea.

In her remarks Mrs. Taylor mentioned that Lord Halifax in a recent address had placed women war workers as 1st. Red Cross, 2nd. I. O. D. E. and 3rd. Women's Institute. She also stated that the W. I. had originated in Canada and now has spread to many countries, and Queen Elizabeth attends the meetings held in England.

Mrs. Taylor also paid high tribute to Mrs. Thurston, expressing regret that for the present she could not hold the position again, but in the course of a few years they hoped to re-elect her. This was voiced in many of the reports.

At this juncture Mrs. Albert Mercer, President of the Nightingale Institute and on their behalf presented Mrs. Thurston with a lovely corsage of roses and a Stirling W. I. teaspoon.

Mrs. Thurston very happily expressed her thanks for this token from her home group.

Attention was called to the beautiful array of flowers, that adorned the front of the stage. Some of them real, but others looking so natural, that only close inspection could detect they had been made of paper. These were the artistic production of Mrs. Freddie Hilton.

Mrs. V. J. R. Hughes read the report of BertVale-Serviceberry Group prepared by Mrs. Brook. The financial report was given by Mrs. Morton. This group, the youngest in the Constituency, has a very fine record.

Mrs. R. E. Reynolds, District Direct

or and Mrs. G. E. Voisey of Champion occupied seats on the Platform.

Mrs. Taylor read Queenstown's report showing an excellent year's work. One of their members a Mrs. McCabe, 72 years of age was teaching in school.

Cluny's report read by Mrs. Prowse also showed a full program of beneficial work, as did Langdon and Nightingale, the former by Mrs. Jessy and Nightingales by Mrs. Mercer. Nightingale's war report was given by Mrs. C. Kimmet.

Mrs. Harriman of Nightingale, had prepared an interesting paper on "Canadianization" but was unable to attend. Her paper will be found in full in another part of this paper.

An interesting paper on Agriculture was given by Mrs. L. Hilton, stressing the advance of farming by machinery. Mrs. Hilton gave the following comparative figures—

I self propelled combine and 1 man equals 3 men and 12 horses cutting; 4 men stooking, 9 men (2 horses to each rack) and 16 horses threshing and 16 men days and 23 horse days and can cover 50 to 60 acres per day and thresh 1500 to 2000 bushels per day if based on a 30 bushel acre average.

Mrs. Hilton said the quality and quantity in bacon, wool, butter and cheese had all increased. In many cases modern machinery for the farm had not been equalled in household conveniences.

Mrs. Thurston advocated electricity in the homes, bathrooms with water laid on should be a part of every farm home.

Two Whistling solos by Mrs. Schulze were beautifully given and warmly received.

The Duets, "The Garden of Happiness" and "Beautiful Ohio" were sung by Mrs. Hughes and Mrs. Walter Mercer with Miss Georgia Chapman accompanying, were sung in the usual finished manner of these popular singers.

Mrs. G. H. Patrick brought greetings from the Red Cross.

Mrs. Duncan Clark on Home Economics read some very interesting rules spiced with her native humor, among which she noted as aids to health, use celery for neuralgia, cranberries for pimples, lemon in coffee for headache, raw onions for nerves, carrots for the eyes and milk as a general builder.

Mrs. Grevelt urged the women to use Vitamin B1 Bread and Canada approved Flour. She said the Government had developed these as an aid to the Nation's health and it was now up to the women to insist on these foods when ordering their supplies.

A very beautiful and appetizing luncheon was served by the Namaka Red Cross Ladies. The long tables, with a profusion of garden flowers looked most attractive. The W. I. appreciate very highly the kindness of the Namaka Red Cross in providing these delicious repasts.

Tea was also served at the conclusion of the program.

Mr. Harry Miner, senior member of the Town Council brought greetings in the absence of Mayor Gannon, who was attending the Convention of the Union of Municipalities in Calgary.

Mr. Miner said "Speech-making" was not in his line so he would go

Killed in Action

Mr. and Mrs. H. T. Boissevan received word on Tuesday from the International Red Cross, that their son, Warrant Officer Glen Boissevan (awardee) lost his life on April 23rd. over Germany.

Word of the safety of two crew members had been received following the first sad news and much hope was held out that Glen would be all right, and now this word comes intensifying the sorrow.

The very sincere sympathy of all Strathmore is extended Mr. and Mrs. Boissevan and their family.

NAMAKA

by M. W.

The ladies of the Namaka Branch of the Red Cross served lunch at the Women's Institute Conference held on Friday last in the Memorial Hall at Strathmore. Approximately fifty dollars was cleared.

Mr. and Mrs. Reg Pollard and Miss Margaret Thomson of High River spent the week-end with Mr. and Mrs. H. E. Thomson.

The heartfelt sympathy of her many friends in this district, goes out to Mrs. T. A. Thorsen of Calgary in the sad loss of her father, Mr. A. A. Peterson.

The Lepp family motored Acme on Sunday to attend the wedding of Mr. Lepp Sr.

Miss Lepp's family from Calgary motored down Saturday and spent the day with her. Her sister remained going home by Sunday evening's train.

MISS HOGG JUDGES HANDICRAFT

Miss Nora Hogg of the Pro. Department of Home Economics judged the Handicraft work and her task was by no means an easy one. General Satisfaction seemed to prevail with her decisions.

In her remarks to the Conference she urged the women to establish Girls Clubs and to call on her to give assistance in any way possible.

Miss Hogg may be found in the Prov. Dept. of Agriculture at the Old Court House Bldg., 7th. Ave. Calgary.

Strathmore's Stamp Sales Friday, June 30th. brought in the satisfactory amount of approximately \$300. This includes the \$84.00 sold at the School. As the work is carried on every week throughout the year this is a very gratifying result.

The Miss Canada's were on duty Friday afternoon and evening selling their stamps to ready buyers.

WEDDING

SLACK - HILDAHL

A very pretty wedding was solemnized in Strathmore United Church, Friday, June 30th. at 7.30 p.m. when Lois Margaret, fourth daughter of Mr. and Mrs. A. E. Hildaahl of Strathmore, became the bride of Mr. Omer Slack, son of Mr. and Mrs. Noel G. Slack of Long Beach, California, formerly of Dalemead. Rev. Raedeke of Calgary officiated.

The bride, given in marriage by her father looked lovely in a floor-length brocade white satin gown with long veil held in place by orange blossoms. She carried a bouquet of red roses, and her mother's wedding handkerchief. Her only ornament was a gold locket, the gift of the groom.

Mrs. Marie Teare, sister of the bride, was Matron of Honor and wore a floor-length dress of blue net over taffeta and carried pink roses. She wore a blue chapel veil.

Ruth Hildaahl, sister of the bride, was bridesmaid and wore a floor-length gown of pink net over taffeta, with chapel veil and pink roses.

Benny McKinnon was the best man. Louis McKinnon and Thomas Hildaahl acted as ushers. Mr. Arnold Bolter of Calgary played the wedding music.

Following the ceremony about 40 guests repaired to the home of the bride's parents, where the reception was held and a delicious buffet luncheon served. The rooms were decorated in pink and white with bouquets of pink peonies adorning the tables. The bride's table was centered by a three-tiered wedding cake flanked by flowers and tall white tapers.

Mrs. Hildaahl received the guests. She chose for the occasion a very becoming navy blue crepe gown with beige accessories and wore a corsage of Tallisman roses. The groom's grandmother, Mrs. Davenport, of Long Beach, California, was present and chose for the occasion a gown of black crepe with blue accessories and a corsage of Tallisman roses.

Rev. Raedeke proposed the toast to the lovely bride to which Omer graciously responded.

Out-of-town guests included, Mrs. Davenport, Long Beach, California; David McKinnon, Peace River; Mr. and Mrs. Alfred Ffies; Mrs. Cann, Paul and Ellen, Brooks; Mr. and Mrs. W. Miner, Keema; Captain and Mrs. Downey, Calgary; Mrs. Martha Fortens, Calgary; Rev. and Mrs. Raedeke, Mr. and Mrs. Arnold Bolter of Calgary and Mr. Walter Freiz.

The happy couple left early in the evening for a short honeymoon in Calgary, before the groom returns to his post with the R. C. A. F. at Vulcan. For travelling the bride wore a turquoise blue gown with black trimming, beige topcoat and white accessories.

Following the honeymoon the newly weds will reside in Nanton. Best wishes from a host of friends are extended for their happiness.

Canadianization

—By Mrs. F. Harriman, Nightingale—

"Oh, Canada, we stand on guard for Thee" So sing our citizens from coast to coast. It is a proud boast and not a vain one. The proof of this is demonstrated by thousands of our youth who are over there fighting along with all allied nations to keep our a free country.

This Canada of ours is now united as never before. Small local differences are put aside and the one idea is to win in this big struggle.

It will be our problem to see to it that our boys shall have a home and a job to come back to. They must have the chance to earn a living up to the good standard most Canadians have been accustomed to having.

The only means we have to see that our boys get this square deal is through our government. We are all aware how very fortunate we are to live in this land. It is ours. The government too is ours. We make it and it really is a good government, considering that so many people take no interest at all. Have you ever been guilty of turning off your radio when some party member tries to tell the public just what his particular group is trying to do? A good Canadian listens to both sides, then forms his own opinion and votes for the policy he considers best. We all benefit by our government, therefore we should

take an active interest. Be a good citizen and vote whenever you have a chance, either in a community issue or in the federal elections.

It seems to me we have a splendid program outlined in our W. I. I. It covers nearly every problem for the good of the people. It can do much good but only if carried on. So let all our members and convenors see to it that each one prepares the part assigned. The older generation are not the only ones to be considering what is good for Canada. Our young folks have many fine organizations and are discussing problems of the future. We, as an Institute, can do no better work than to assist any young people's clubs that come within our range. Making good citizens begins in the home, then the school, then must be carried along in the after school period. The following is an extract taken from the Country Guide and tells about the Canadian Youth Commission.

To Study the Field

Dr. Sidney Smith, president of the University of Manitoba for the past ten years, who presently goes to an important executive post at University of Toronto, is chairman of the C. Y. C. He has explained its scope and purpose thus—

"The Canadian Youth Commission, composed of 50 men and women from all sections of Canada, many of whom

and many walks of life, has seriously undertaken to study and propose solutions for the problems which beset Canadian youth in the days of reconstruction. The Commission is indeed a microcosm of our nation, and its undertaking is a highly significant venture in Canadian unity. The members of the Commission know full well that they cannot merely sit and deliberate in an upper room and prepare constructive proposals. They need — they must have — the opinion and ideas of youth — youth in school or college — employed youth and youth in the Armed Services. To this end the Commission is assisting in the organizing of youth conferences to be held throughout Canada."

By youth it is meant particularly the group between the ages of 15 and 24 years of age.

The C. Y. C. divides its field of study into six areas and has a commission, under able chairmanship functioning in each. They are: (1) health and recreation, (2) education and citizenship, (3) employment and rehabilitation, (4) religion and life philosophy, (5) family life, (6) minority problems.

Objectives are— The setting up of something constructive to which youth can devote its energies; to arouse interest and widespread participation in planning for youth welfare. That everything possible shall be done so that young people will not be subjected to the ill-effects, despair and frustration which was the lot of many Canadian young people during the depression years. It will endeavor to determine in concrete form what can be done in local communities.

The intention is to work with youth not merely for youth.

Canada's future will be in good hands when we see the efforts set forth to train the coming generation.

As for us, we must carry on. We have a heavy burden it is true but if we do our bit as it comes along results will tell. We must have toleration for all. We want no racial discriminations and we stand ready to help our neighbors especially those from foreign shores. After the war when the boys come home with their wives from over the seas, we as installed members can give them a welcome and help them to feel at home in this their new home.

ANNUAL MEETING OF T. B. ASSOCIATION

At the annual meeting of the Alberta Tuberculosis Association, held in Calgary on Sunday, June 25th, it was announced by President-elect R. W. Roscoe that 25,802 residents of Alberta had been X-rayed by the Association's mobile chest X-ray clinic under the direction of the department of health. 95 cases of probably active tuberculosis were found, most being in the early stages.

Present at the meeting were delegates from the eight Christmas Seal committees, and visitors included Dr. A. H. Baker, superintendent of Central Alberta Sanatorium, Dr. A. Somerville, director of the division of communicable diseases, and Dr. G. R. Johnson, president of the Alberta Medical Association.

Dr. A. H. Baker gave tuberculosis statistics and said that the death-rate which had begun to increase in the first three years of the war, was now declining.

Mr. Roscoe said the Christmas Seal sale of 1943-4 raised over \$40,000.00, and that \$25,000.00 would be used to buy another mobile chest X-ray clinic which may be in operation by next Fall.

STANDARD

— By Mrs. F. D. K. —

The Sports Day at Standard on July 1st, was well attended, with visitors from many outside points.

Mrs. M. M. Jensen and Miss Leda Jensen left by train from Gleichen on Monday evening to spend several weeks visiting in Chicago and other American points. While in the States they will visit Mrs. Jensen's son, Rev. Anker Jensen and his wife and infant son.

Pte. Gwen Southall was home for the holiday weekend. She was accompanied by Pte. Dot Wilson also from Currie Barracks.

The heavy rain on the night of July 1st, and subsequent showers on Sunday were very welcome as rain was badly needed for crops, gardens and pastures.

Mrs. O. Ekshlak has returned home after a month's visit with her mother in South Dakota and her sister in Spokane, Wash.

The ladies who put on the Red Cross dance on June 16th, are pleased and gratified to be able to report that the sum of \$61.50 has been turned over to the local branch of the Red Cross. They wish to thank all those who attended or assisted in any way with a special word of thanks to Mr. Carl Helgeson for his generous gift of 12 doz. pastries.

Excavation has begun on the new basement for the new parsonage.

Mrs. Alice Miller was in Calgary on Monday to meet her husband who has arrived from Rockliffe for his furlough.

Cpl. Doris Fletcher spent the holiday weekend with her parents Mr. and Mrs. D. A. Fletcher.

Friends of Mr. Frank Watson, for many years a resident of the Standard and Chancellor districts, were shocked to learn of his death in Calgary last weekend. The funeral was held in Calgary on Tuesday afternoon. Mr. Watson was always the essence of cheerfulness and was known for his witty stories and happy smile. The sympathy of the community is extended to his wife and family, who now reside in Calgary. One son, Norman, farms the old home place a few miles from town.

DALEMEAD

One quarter section with canal or water course traversing it, \$20.00 per annum for first quarter or smaller parcel.

Same Owner with one additional quarter section, \$15.00 per annum for second quarter or smaller parcel.

Same Owner with two additional quarter sections, \$10.00 per annum for third quarter or smaller parcel.

Same Owner with three or more additional quarter sections, \$5.00 per annum for each quarter or smaller parcel after the third quarter or smaller parcel.

Registered owners and purchasers must sign up before being given service and tenants must pay in advance if the registered owner or purchaser has not signed up.

In order to bring revenue up to the estimated expenditures, it will be necessary to increase the area on the assessment roll. The District is, therefore, seeking new water users and increases in the areas of those who already signed up.

Do not let your crop burn up when you can get water at these low rates.

We are sorry to report that Mr. C. Keeling is quite ill at his home. Last week he underwent a nasal operation from which infection has set in, and he is now suffering much pain. We hope for speedy relief.

Mrs. F. G. Grevett leaves next week for Yale University N. H. where she will attend the classes being held in Anti-Alcohol Measures. Mrs. Grevett has been appointed delegate for the Province of Alberta.

Christian Science

"Sacrament" will be the subject of
the Lesson-Sermon at all Christian
Science Churches on Sunday. The
Golden Text is Psalms 51-50. One of
the Scriptural citations is "As the
living Father hath sent me, and I live
by the Father: so he that eateth me,
even he shall live by me" (John 6:57)
One of the correlative passages from
"Science and Health with Key to the
Scriptures" by Mary Baker Eddy, is
"His true flesh and blood were his
Life; and they truly eat his flesh and
drink his blood, who partake of that
divine Life" (p. 25).

W. I. CONFERENCE

(Continued from Page One)
turn again next year.

A duet by two young ladies
from Queenstown was sweetly render-
ed.

Mrs. Reynolds, District Director, con-
gratulated the Gleichen Constituency
for their excellent showing. She read
a very interesting paper from Mrs.
Taylor, Provincial President of Wet-
askwin, which upheld the ideals to be
striven for in the individual groups
and in the upbuilding of our nation.

Mrs. McKay, Constituency Con-
venor of Okotoks brought greetings
and expressed her pleasure at being
present.

A Quiz on the W. I. conducted by
Mrs. Grevelt, was not a 100% success.
Mrs. E. Albertson of Landon, in
her report on Child Welfare, dealt
with the Maternity Hospitalization Act.
Babies born in Alberta Hospitals of
the (white population) have increased
from 66.5% in 1935 to 84.7% in 1942.

One of the valuable features of the
Conference was the Address and Film
on Venereal Disease Control. The
address was given by Capt. Sheps of
Calgary, who is working in this con-
nection with the Armed Forces of
Canada, a commendable innovation.
In this war, Dr. Sheps said that V. D.
had been wiped out in Norway, Swe-
den and largely in the Soviet Union,
and it could be in Canada.

His address and the slides clearly
shown, were followed with close at-
tention.

A very forward-looking paper on
Education was given by Mrs. Walter
Mercer in which she stressed value
of modern methods that were being in-
troduced for the development of great
er individual thought on the part of
the pupil; greater opportunities for
children of lesser privileges and ad-
equate opportunity for an all-round ed-
ucation. Mrs. Mercer quoted the fol-
lowing—

"All young people born in Canada
have innate capacities and gifts. For
which the state, if it wishes to profit
by them, must provide an education
suited to the aptitudes of all," declar-
ed Dr. G. F. McNally, deputy minister
of education.

"I hope that those responsible for
the education of our young people will
have the courage in future years to
explore new avenues for those not ac-
ademically minded," Dr. McNally said.
Dr. Stacey McCall, principal of Al-
berta College, Edmonton in the main
address of the evening said that his
views on education were that there
are ornamental, utilitarian and crea-
tive values. Education would develop
strong Canadianism to include all
races, and produce the kind of char-
acter that is best.

"Then will be the time to repay the
world for the bounty lavished upon
us. Each will be eager to do his
part," he said.
She eulogized the work of the C. Y.
C. and read parts of a brief that had
been presented by the Strathmore
group which had been adopted at the

Conference.

Several resolutions were passed
dealing with Farmer's Income Tax,
Old-age pensions, cancer treatment,
approved flour, and the following:

Resolved that we here assembled
are impressed with the importance of
a comprehensive program of Ven-
ereal disease control, and wish to com-
mend the work of the Provincial di-
vision of Social Hygiene. We also
urge the importance of making pre-
natal and pre marital blood tests com-
pulsory.

The Handicrafts Exhibition was
very interesting, well displayed and
showed a large variety of work. The
Handicraft Report was given by Mrs.
C. Way. Prizes were awarded as fol-
lows—

The T. Eaton Cup for the highest
number of points was won by Nightin-
gale, just leading the late cup holder,
BertaVale-Serviceberry by two points.

The Hudson's Bay Cup given for the
most outstanding piece of work was
won by Mrs. Shkuratoff of BertaVale-
Serviceberry, this being a pair of
gloves which Mrs. Shkuratoff had
knitted from yarn, which she had culd
ed and spun herself.

Three tables with central floral de-
coration created much interest. One
in Red, White and Blue flowers with
the Stars and Stripes and Union Jack
gave the friendly patriotic touch of
the two countries living in harmony
side by side this many years.

A second table displayed the sham-
rock in plant and cloth, the third a
pretty pastel combination of pale
mauve and yellow Columbine on a
white cloth was very dainty and re-
ceived 1st. prize. This also was
Nightinagle's table.

Election of officers resulted in fol-
lows—

Constituency Convenor, Mrs. D.
Clark, Cluny; Education, Mrs. Don
Dougan, Nightingale; Home Econom-
ics, Mrs. L. Hilton, BertaVale-Ser-
viceberry; Agriculture, Mrs. Moe,
Langdon; Child Welfare, Mrs. A. Mor-
ton, BertaVale-Serviceberry; War
Work, Mrs. Charles Kimmitt, Night-
ingale; Citizenship, Mrs. G. Thurston,
Nightingale.

A very worthwhile and enjoyable
Conference was closed with The Na-
tional Anthem. Tea was served and
many enjoyed a general talk over.

POT POURRI

There was a young lady from Lynn,
Who was so exceedingly thin,
That when she essayed
To drink lemonade
She slipped through the straw and fell
in.

When Chee Po Yu reached his six-
teenth year, he changed his opinions.
What he had previously regarded as
right, he now came to regard as
wrong. But who shall say whether
the right of today may not be as
wrong as the wrong of the previous
fifty-nine years?

Birth is not a beginning; death is
not an end.

A Bird bills the self-same song
With never a fault in the flow,
That we listened to here those
Long years ago.

A pleasing marvel is here,
A strain of such rapturous note
Should have gone on this till now,
Unchanged in a note!

But it's not the self-same bird —
No; perhaps to dust is he ----
As also are those who heard
That song with me.

STRATHMORE DISTRICT WELL REPRESENTED AT CALGARY EXHIBITION

The Strathmore district will be well
represented at the Calgary Exhibition
and Stampede this year from July 10
to 15.

Stampede contestants from this dis-
trict will include Bow Valley Slim of
Carseland who will ride in the Cana-
dian Bucking Horse Championship
and the Bareback Horse event, and al-
so take part in the North American
Calf Roping and the Wild Steer Deco-
rating contests. Joe Keeler of
Strathmore will ride in both the North
American and Canadian Champion-
ship Bucking Horse events and com-
pete in the Wild Horse Race; and Ed
Kroschel of Irricana will participate
in the Calf Roping and the Wild Cow
Milking.

There will be a heavy entry from
the Western Irrigation District in the
Livestock Exhibits at the Big Show in
Calgary. Heavy Horses will be
shown by R. A. Allen of Irricana and in
the Cattle Classes Adam Berreth of
Bolsker will exhibit Shorthorns. L. G.
Kinney of Rockyford Shorthorns and

WEEKLY EDITOR SEES OTTAWA

Speaking in the House of Commons
on the bill to establish a federal de-

partment of Reconstruction, Prime
Minister King stated there should be
no difficulty in securing money for
reconstruction purposes. Having raised
money during the war by loans and
taxation to destroy lives and property
his opinion was that that: "When the
whole picture is reversed, and it
comes to the matter of carrying out
constructive work, for the rebuilding
of communities, for the supplying of
homes necessities and luxuries of life
there is going to be a demand for em-
ployment the like of which could not
arise at any other time." Greatest
planning, he thought, was for the pe-
riod following transition when full em-

ployment would be very necessary.

The men and women returning
from war will bring back a great re-
surgeance of things spiritual, which
should stand Canada in good stead at
a critical time. It is so implied in
many of the stories coming from bat-
tlefronts. Here as an example is a
little paragraph from a story concern-
ing the adventure of a famous Cana-
dian destroyer which took part in the
Invasion. "There were shell splashes
in our vicinity; we saw craft hit, saw
them burning, saw them sink . . . but
you understood later, the fleeting look
that passed over men's faces as the
ship's radio, tuned to invasion news,
suddenly interrupted its program to

say: "And now let us stop a moment
to pray for the success of the Allied
invasion forces, and the men in it."

Among the many booms which will
be the lot of civilians after this war
in over, is a new insecticide popularly
known as DDT. It is now used over
all the world by fighting forces as well
as in recently liberated countries to
counteract the effects of lice, which
spread typhus. A 5% solution of DDT
in kerosene, sprayed on walls of barns
stables, etc., is an effective fly killer
good for several weeks at a stretch.
It is fatal to mosquitoes in minute pre-
parations.

Canada's pension bill in respect to
this war will be enormous. The Min-

ister of Pensions said in the House
of Commons that pensions costing \$6,
975,000 a year were being paid to 13,
215 veterans of the present war at
April 30th. A federal department of
Veteran's Affairs is being set up.

The increasing production of soy-
bean in this country draws attention
to the fact that the oil derived there-
from is used largely for edible pur-
poses. The latest estimate of use by
the Department of Agriculture in-
dicates that about 90% of the product
goes into foods, including shortening,
salad oils and salad dressings. The
oil cake and oil cake meal, by-pro-
ducts, are high protein feeds for live-
stock and are greatly in demand.

"I guess it's up to me!"

Now that I can go I'm not going to stick around and
let the other fellows do it.

Bill and Jack went over last week, and Fred's been
over there a year. Now it's my chance.

It's going to take months of training before I can
get fighting-fit, so I'd better get moving
today.

Yes sir! I'm going now, to tell Dad and
Mom that I'm on my way to sign up.

LEGION NOTES

The Strathmore Branch of the Canadian Legion is holding its Annual Picnic at Beaver Dam on Sunday, July 30th. We hope that every Comrade and his family will be present. We are going to have a record crowd and a record good time.

Watch for announcement of a Dance and Raffle to be held on Labour Day or thereabouts. All proceeds in aid of the local World War II Memorial.

A series of "bees" are being held to put the Memorial Hall grounds into better shape.

The next General Meeting and Smoker will be held Tuesday, July 11th. Every Comrade can help to make it a success by being present!!

SCHOOL NOTES

On "S" Day the students of the local School bought \$4.50 worth of War Savings Stamps. Since the middle of November the School has purchased over \$450 worth of Stamps. We again wish to thank the Strathmore School Board for placing the last Stamp on every \$5.00 Certificate.

At its last meeting the School Board passed a resolution by which every beginner in Grade I will have a complete medical examination by the local M. H. O.

HIGH SCHOOL PICNIC

The first High School picnic to be held in a number of years took place at Wyndham Park on June 30. Close to 35 young people turned out to enjoy the afternoon of swimming, fishing and novel sports. The afternoon closed with a bountiful picnic lunch and all were agreed that the get-together had been a thorough success.

CARSELAND

RED CROSS PICNIC VERY SUCCESSFUL

The Red Cross picnic held at the river on July 1st, was a big success, the weatherman giving a full day of his best brand of weather. A big crowd gathered to watch the hardball game between Carseland and Meadowbrook, both teams being determined to play in the final game. Carseland at last broke the tie between them at the end of the 11th inning, making the score 8 to 7. Both teams played a great game of ball and every score was well earned.

Another game was played between Carseland and Blackie later in the evening, Blackies being the leaders and carrying home first prize.

There were also foot races and a midway to entertain those who were not interested in the ball games. The ladies of the community all donated their work in the booth where they served hot dogs, coffee, pop, ice cream and pie. A dance was held in the Carseland Hall in the evening and all had an exciting time. All proceeds go to the Red Cross.

Mr. Sieber and his niece are enjoying a few days holiday in Banff. Lloyd Lea is home from the East on a two weeks leave. Lloyd was one of the lucky ones to get home in time for the stampede.

Quite a few homes in this district entertained star boarders over Saturday night and Sunday when the big rain came up putting cars in the

ditch everywhere. However, it was all taken in good part and the rain was considered just the right ending to a perfect day.

Mr. and Mrs. Hilliard and children and Mrs. Don McKinnon have gone to Sylvan Lake for a couple of weeks.

Heleen McKinnon is finished school and is home to stay for the summer.

Mr. and Mrs. Stobbe were week-end visitors of Mr. and Mrs. Krueger. Some old friends from Beisker were also guests at Kruegers.

We are glad to hear that Mr. Worboys has made turn for the better.

We are sorry to hear that Bill Gehrke had the misfortune to break his arm last week. Never mind Bill,

that's an easy way to get out of work on these hot summer days.

I wonder who it was that missed the dartboard completely while throwing darts and hit the poor man instead who was patient enough to stand and watch the people try their luck. All we can say Mr. Ostrom is that you were lucky it wasn't a dagger.

Carselandites were surprised to see Cowboy Jack out riding early Sunday morning.

Don't forget the softball tournament to be held at the river (Wyndham Park) on July 26th, sponsored by the Carseland Community. A dance will be held in the evening in the Hall, with Thurber's orchestra.
